RE: April 2013 Monthly Report

During the month of April, the West Lafayette Police Department received **2318 calls for service**, an increase of 85 calls (4%) from March, and an increase of 27 calls (1%) from April 2012.

April was a busy month for the WLPD as officers worked over 100 hours of overtime on foot and motor patrols during Grand Prix week. Officers prepared for the festivities by speaking with bar owners, liquor stores, and student groups earlier in the month. Overall, arrests by the WLPD during Grand Prix weekend were up slightly in 2013, totaling 19. Weekend events were well attended and no serious injuries were reported.

The WLPD assisted with several community events in the month of April, including the JCM 5K Charity Run, Spring Fest, Every 15 Minutes Program and Earth Day events. Officers also conducted a SAFE class for women at the Lafayette YWCA.

In late April, alert WLPD Patrol Officers arrested a subject for Possession of Methamphetamine and several other meth related charges. Subsequent investigation with the White County Sheriff's Office led to the discovery of an active meth lab at the arrested subject's residence in Monticello.
